To: Zytronic Customers

RE: COMPLIANCE WITH RoHS DIRECTIVE

This letter is in response to your enquiry regarding Zytronic Displays Limited compliance with RoHS directive 2002/95/EC.

Compliance with currently applicable legal requirements

All products manufactured and sold by Zytronic Displays Limited meet or exceed all currently applicable legal requirements regarding the presence of hazardous substances in products; including the RoHS Directive on the use of Lead, Mercury, Cadmium, Hexavalent Chromium, Polybrominated biphenyls (PBBs) and Polybrominated diphenyls ethers (PBDEs).

If you have any questions, please contact the undersigned at the address above.

Yours sincerely

CHRIS THOMPSON  
Quality Manager
