

Zytronic Displays Ltd.

TITLE: RoHS COMPLIANCE DIRECTIVE ISSUE: 04 DATE: 21/11/2018

PREPARED BY: BILL LEWINS APPROVED BY: CHRIS THOMPSON

21 November 2018

To: Zytronic Customers

Re: Compliance with RoHS Directive

This letter is in response to your enquiry regarding Zytronic Displays LTD compliance with RoHS directive 2002/95/EC, RoHS 2 (Directive 2011/65/EU) and RoHS 3 (Directive 2015/863/EU)

Compliance with current applicable legal requirements

All products manufactured and sold by Zytronic Displays LTD meet or exceed all currently applicable legal requirements regarding the presence of hazardous substances in products; including the RoHS Directive on the use of Lead, Mercury, Cadmium, Hexavalent Chromium, Polybrominated Biphenyls (PBB's) and Polybrominated Diphenyl Ethers (PBDE's), Bis(2-ethylhexyl) phthalate, Butyl benzyl phthalate, Dibutyl phthalate

If you have any questions, please contact the undersigned at the address below.

Yours sincerely

Chris Thompson

Quality & Environmental Systems Manager
